

CHANNEL MARKETING SERVICES

Fulfillment & Production

Print, POP, apparel, signage and branded merchandise ordered directly through your channel portal. We manage production, inventory and fulfillment so your channel partners get what they need.

eCommerce Storefront

A professional ordering experience for corporate, channel partner, and consumer customers. Customer class controls, inventory visibility, and expert support behind every order.

Asset Sourcing and Production

Unified sources, produces, and manages branded literature, POP, apparel, signage, and promo items. Brand consistency managed at every step.

Returns and Order Support

Order issues, returns, and partner support handled by Unified. Your channel partners have a real team behind every order.

Inventory, Shipping and Fulfillment

Warehouse management, freight handling, and order fulfillment managed by Unified. Sourcing and logistics expertise behind every shipment, since 1979.

Your channel
programs,
handled.
